

Educate24 campaign rules

How It Works

1. Register on Educate24 by completing the simple online registration process
2. Choose which course you would like to do
3. Choose DEBIT/CREDIT CARD as your payment method
4. Enter your Capitec card details
5. Once the system confirms your card number, you will receive your 50% discount
6. You'll be directed to the secure payment gateway to complete your purchase, using your Capitec card
7. Your course will automatically be loaded to your profile as soon as the payment is successful
8. The discount will be valid every time you pay for a course with your Capitec card

Your Capitec card must be registered for online shopping in order to qualify for the discount. Use the Capitec Bank app to activate this functionality on your Capitec card, or visit a Capitec branch.

Good luck on your exciting learning journey!
